### **Pesteze™ Keeps Away Unfriendly Dogs & Animals Safely & Humanely!**

Unfriendly dogs and animals can be an annoying problem and even dangerous to mail delivery carriers, inspectors, contractors and others having to visit customer homes as part of their job. The Pesteze™ Portable Dog Repeller was specially designed to keep away unfriendly animals. Simply turn the unit on and the safe sonic vibrations will silently repel unfriendly dogs and cats without hurting them. It's that easy, humane and safe to use!

### **How Does the Pesteze™ Portable Dog Repeller Work?**

Pesteze™ works by emitting penetrating ultrasonic sound waves (6-25 KHz) that effectively repel dogs and animals because they find them very annoying. However, the vibrations are silent and safe for humans. This innovative product has proven to be a very effective deterrent for unfriendly dogs and animals!

### **Applications**

The Pesteze™ Portable Dog Repeller drives away dogs as well as other animals such as cats, raccoons and skunks without the use of harmful and poisonous chemicals. It is ideal for protecting mail delivery carriers, inspectors, contractors and others visiting customer homes from vicious dogs and other unfriendly animals.

## Safe, Humane, Chemical Free & Environmentally Friendly Solution

Pesteze™ Portable Dog Repeller is one of the best humane and environmentally friendly solutions you will find to safely control unfriendly dogs and other animals. This effective product does not use any toxic chemicals and simply works by repelling animals with penetrating ultrasonic sound waves that are safe and inaudible to people.

### Specifications

This compact, portable, energy efficient dog repeller is powered by four AAA batteries. It is light weight and very effective at repelling unwanted dogs & animals. Due to minor changes in design or other improvements, the product you buy may sometimes differ slightly from the product described herein.
